

## CONTRIBUTORS OF ORIGINAL COMMUNICATIONS TO VOLUME XVII.

ABRAHAM, J. H., M. D., New York, N. Y.  
BALDWIN, K. W., M. D., Philadelphia, Pa.  
BALLENGER, W. L., M. D., Chicago, Ill.  
BECK, J. C., M. D., Chicago, Ill.  
BLACK, M., M. D., Denver, Colo.  
BLACK, W. D., M. D., St. Louis, Mo.  
BRAISLIN, W. C., M. D., Brooklyn, N. Y.  
BROWN, R. H., M. D., Chicago, Ill.  
BRYANT, W. S., A. M., M. D., New York, N. Y.  
CAMPBELL, J. T., M. D., Chicago, Ill.  
CANFIELD, R. B., M. D., Ann Arbor, Mich.  
CHENERY, W. E., M. D., Boston, Mass.  
COOPER, C. E., A. B., M. D., Denver, Colo.  
CORWIN, A. M., M. D., Chicago, Ill.  
CURTIS, H. H., M. D., New York, N. Y.  
DANZIGER, E., M. D., New York, N. Y.  
DUPUY, H., M. D., New Orleans, La.  
EATON, F. B., M. D., Portland, Ore.  
EMERSON, F. P., M. D., Boston, Mass.  
FARLOW, J. W., M. D., Boston, Mass.  
FRANK, M., M. D., Chicago, Ill.  
FREE, O. T., M. D., Chicago, Ill.  
FREUDENTHAL, W., M. D., New York, N. Y.  
FRIDENBERG, P., M. D., New York, N. Y.  
GALLAHER, T. J., A. M., M. D., Denver, Colo.  
GIBB, J. S., M. D., Philadelphia, Pa.  
GIFFORD, H., M. D., Omaha, Neb.  
GLEITSMANN, J. W., M. D., New York, N. Y.  
GOLDSTEIN, S., A. B., M. D., New York, N. Y.  
GOODMAN, S. J., Ph. G., M. D., Columbus, Ohio.  
GRANT, DUNDAS, M. A. M. D., F. R. C. S., London, England.  
GREENE, JR., D. C., M. D., Boston, Mass.  
GRIFFIN, O. A., B. S., M. D., Ann Arbor, Mich.  
HALL, G. C., M. D., Louisville, Ky.  
HALLE, M., M. D., Berlin, Germany.  
HARLAND, W. G., B., M. D., Philadelphia, Pa.  
HASELTINE, H., M. D., Chicago, Ill.  
HENDERSON, W. J., New York, N. Y.  
HOEVE, H. J. H., M. D., Des Moines, Iowa.  
HOLINGER, J., M. D., Chicago, Ill.  
HOLMES, C. R., M. D., Cincinnati, Ohio.  
HUBBARD, T., M. D., Toledo, Ohio.  
HURD, L. M., M. D., New York, N. Y.  
INGALS, E. F., M. D., Chicago, Ill.  
JACKSON, C., M. D., Pittsburgh, Pa.  
KAHN, H., M. D., Chicago, Ill.  
KEIPER, G. F., M. D., Lafayette, Ind.  
KERRISON, P. D., M. D., New York.  
KILLIAN, PROF. GUSTAV, Freiburg i-Br.  
KNIGHT, C. H., M. D., New York, N. Y.  
KUTTNER, PROF. DR. A., Berlin, Germany.

## ILLUSTRATIONS.

Adenoid Forceps, Prince .....	726
Adenoid Guillotine .....	672
Adjustable Nasal Speculum, Mosher .....	88, 89, 90
Annular Bridge for Frontal Sinus Dressing, Selenberger .....	602
Antrum Canula, Curtis .....	355
Antral Chisels, Corwin .....	383
Antrum Gouge, Curtis .....	355
Antrum Reamer and Burr, Abraham .....	242
Antrum Syringe and Canula, Abraham .....	241, 242
Blunt and Cutting Laryngeal Dilator, Gleitsmann .....	379
Blunt Periosteum Elevator, Pynchon .....	649
Cast of Hard Palate Showing Cleft, Baldwin .....	510
Cast of Hard Palate Showing Result after Operation, Baldwin .....	512
Closed Sinusites of the Ethmoid Labyrinth with Exophthalmos, Photo, 704	
Closure of Septal Perforations, Haseltine .....	770, 771, 772, 773
Complete Removal of Tonsils, Griffin .....	618, 619, 920
Compressed Air Aspirator, Pychon .....	653
Compressed Air Aspirator as a Uvular Retractor .....	198
Curettes for Rim of Antral Perforation, Myles .....	443
Cyst of the Larynx .....	802
Cystic Nasal Polyp .....	295
Disc for Perforations of Ear Drum .....	559
Double-Ended Freer Dissector .....	301
Drills and Guides for Internal Operations on the Accessory Nasal Sinuses, Halle .....	120, 125
Elastic Cord as a Soft Palate Retractor .....	199
Electric Head Lamp, Pynchon .....	654
Endolaryngeal Knife for Use through Tubular Speculum .....	494
Endoscopic Tube Forceps, Jackson .....	493
Fibrous Atresia of Nares .....	151
Forceps for Bridges between Septum and Inferior, Turbinal, Prince .....	729
Forceps for Post-Turbinal Hypertrophy, Prince .....	730
Four Ring Tonsil Forceps, Pynchon .....	645
Freer-Grunwald Forceps, Reinforced .....	305
Frozen Section of the Head, Three Coronal and Three Sagittal, showing Inter-relations of Accessory Nasal Sinuses, Orbital and Cranial Cavities, Optic Chiasm and Nerve, Cavernous Sinus and Neighboring Vessels and Nerves .....	826
Guarded Burr for Septal Resection, Brown .....	298, 299, 300
Gutta Percha Plate Worn before Operation for Cleft Palate and during Healing, Baldwin .....	508
Improved Tonsillotome, Pynchon .....	644
Inferior and Post-turbinal Forceps, Prince. Illustrating use .....	729
Internal Operation for Suppuration of the Accessory Nasal Sinuses, Halle .....	113, 126, 128
Intra-Nasal Operation, Myles .....	439, 440, 441, 442
Intranasal Suture Instruments, Yankauer .....	110
Intranasal Suture, Method of Making, Yankauer .....	114
Laryngeal Medicator for the Patient's Use .....	658
Larynx with Foreign Body before and after Thyrotomy .....	472, 473
Lateral Posterior Rhinoscopy .....	197
Localizer of Superior Oblique in the Killian Operation, Ostrom .....	237
Long and Short Freer Elevator .....	306
Longer Foster Speculum, Brown .....	300

Method of Extracting Bernays' Sponge, Ostrom ..... 236  
 Microscopic Section of Healed Septum after Resection of Cartilage ..... 953, 954  
 Middle Ear Syringe ..... 560  
 Middle Turbinal Forceps, Prince ..... 728  
 Modified Ingals Spatula, Brown ..... 302  
 Modified Meyer's Ring Curette, Pynchon ..... 204  
 Mucosa Speculum, Pynchon ..... 650  
 Nasal Cautery Electrode, Pynchon ..... 205  
 Nasal Cutting Forceps, Abraham ..... 243  
 Nasal Hoe and Angular Elevator, Brown ..... 301  
 Nasal Punch Forceps and Shears, Pynchon ..... 648  
 Nasal Splint, Abraham ..... 244  
 Naso-Pharyngeal Curette, Pynchon ..... 204  
 Nasal Saws in Handle, Pynchon ..... 651  
 New Cautery Handle, Pynchon ..... 646  
 Position of Patient in Tracheo-Bronchoscopy ..... 727  
 Posterior Inferior Turbinotomy. Illustrating Method ..... 727  
 Posterior Submucous Elevator, Ostrom ..... 238  
 Premaxillary Wings and Deviations of the Septum, Mosher .....  
     ..... 842, 843, 844, 845, 846, 847,  
     848, 849, 850, 851, 852, 856, 857, 858, 859, 860, 861, 862, 864, 865  
 Primary Melanosis of the Palate ..... 870  
 Probes for Frontal Sinus, Ingals ..... 285  
 Reverse Antrum Bone Forceps, Ostrom ..... 155, 156, 157  
 Right-angled Septal Mucosa Retraction, Freer ..... 306  
 Safety-Pin Closer, Jackson's Modification of Mosher's ..... 492  
 Scheme Illustrating Upper Tracheo-Bronchoscopy, Jackson ..... 786  
 Self-Acting Epiglottis Lifter, Gleitsmann ..... 380  
 Self-Retaining Nasal Retractor, Ostrom ..... 238  
 Self-Retaining Septal Speculum, Goldstein ..... 247  
 Separable Spatula for Tracheo-Bronchoscopy, Jackson ..... 493  
 Simple Epiglottis Retractor, Ostrom ..... 235  
 Simple Nasal and Post-Nasal Packing, Ostrom ..... 239  
 Sinus Thrombosis and Necrosis of Horizontal Semi-circular Canals ..... 630  
 Sinus Thrombosis, Persinus Abscess, Radical Operation, Photograph  
     of Patient after Recovery ..... 628  
 Skull, Female, Vital Temperament ..... 540  
 Skull of Motor Temperament ..... 538  
 Skulls (Six) in Series from Infancy to Adult Life Showing Variations  
     in position of Eustachian Tubes ..... 662, 663, 664, 665, 666, 667  
 Small Angular Blunt Periosteum Elevators, Pynchon ..... 649  
 Soft Palate Closer, Pynchon ..... 647  
 Sterilizable Tonsil Cautery Electrodes, Pynchon ..... 647  
 Straightening the Nasal Septum ..... 781, 782, 783  
 Surgery of the Labyrinth. 16 illustrations in colors ..... 766  
 Superior Turbinal Punch. Illustrating Method ..... 730  
 Tongue Depressor, with Saliva Ejector ..... 200  
 Tonsil Depressors, with Saliva Ejector Attached, Pynchon ..... 647  
 Tonsil Scissors, Griffin ..... 617  
 Tonsil Scissors, Prince ..... 725  
 Tonsil Snare, Moseley ..... 91  
 Tonsillotome, Ruppert ..... 245  
 Transilluminating Hood, Beck ..... 838  
 Tuberculosis of the Mouth, Eleven Colored Plates ..... 910  
 Tubular Shears for Turbinotomy, Pynchon ..... 206  
 Tubular Speculum for Laryngoscopy, Jackson ..... 494  
 Tuning Fork and Rubber Hammer ..... 656  
 V-Shaped Antrum Chisel, Myles ..... 443  
 Yankauer-Pynchon Cut-off ..... 655

# INDEX

## ORIGINAL COMMUNICATIONS.

### A

Abraham, J. H., a case of Fibrous Atresia of Nares..... 151  
 Abraham, J. H., A Case of Traumatic Laryngitis With Eversion of the Laryngeal Ventricle.... 86  
 Abraham, J. H., New Nasal Instruments ..... 241  
 Abraham, J. H., Cystic Polyp.... 294  
 Abraham, J. H., Indications and Advantages of the Intra-nasal over the Radical Operation in the Treatment of Chronic Empyema of the Antrum of Highmore and the Technique to Be Employed ..... 357  
 Abscess, Perisinus, Cholesteatoma Resection of Jugular Vein, Radical Operation, Recovery—Ostrom ..... 627  
 Abscess, Case of Extra-Dural, Septic Thrombosis of the Lateral Sinus, Complicated by Pregnancy, Operation, With Recovery—Tobey ..... 678  
 Abscess, Peritonsillar—Robertson 733  
 Accessory Sinuses to the Visual Apparatus; Relation of the Pathological Condition of the Nose and—Stucky ..... 49  
 Acoustics of the Mouth and the Relation of the Individual's Voice to Hearing—Kyle ..... 451  
 Acute Mastoiditis Complicated by an Extensive Destruction of the Esophagus with Rupture of the Esophagus Leading to a Profuse Hemorrhage into the Left Pulmonary Cavity, the Stomach and Mediastinum; Report of a Case of—McReynolds ..... 633  
 Adenoids, Numerous Operative Methods for Naso-Pharyngeal—Eaton ..... 261  
 Adenoids, With the Description of a Method Which Is Thorough, Rapid and Safe; A Review of the Methods in Use for the Removal of—Richards ..... 669  
 Alveolar Route of Operation Upon the Maxillary Sinus—Black.... 705

Anastomosis, Facial Hypoglossal—Beck ..... 83  
 Anatomical and Surgical Considerations of the Sinus Frontalis—Hoeve ..... 536  
 Anesthetic Solutions in the Nose, Submucous Perineural Injections of—Killian ..... 516  
 Anesthetics in Nose and Throat Surgery, Choice of—Goodman.. 215  
 Antrum, Chronic Diseases of, Concerning the Radical Treatment, with Suggestions for a New Method in Operating by the Submucous Resection of the Lateral Nasal Wall—Canfield. 606  
 Antrum of Highmore, the Indications and Advantages of the Intra-Nasal Over the Radical Operation in the Treatment of Chronic Empyema of the, and the Technique to Be Employed—Abraham ..... 357  
 Antrum of Highmore, the Indications for and the Advantages of the Intra-Nasal Route over the Radical Operation in the Treatment of Chronic Symptoms of the, and the Technique Employed—Myles ..... 437  
 Antrum Surgery, The Reverse Antrum Bone Forceps in—Ostrom ..... 155  
 Antrum, The Rapid Entrance of the Maxillary, Through the Inferior Meatus without General Anesthesia—Curtis ..... 354  
 Asepsis in the Routine Office Work of the Laryngologist, The Problem of—Hubbard ..... 519  
 Atresia of Nares, a Case of Fibrous—Abraham ..... 151  
 Atrophic Rhinitis with Strong Solutions of Nitrate of Silver with Massage, Treatment of—Keiper 738

### B

Baldwin, K. W., Cleft Palate and Hair-Lip ..... 506  
 Ballenger, W. L., Study of the Etiology of Inflammatory Diseases of the Nose and Accessory Sinuses ..... 181

## ORIGINAL COMMUNICATIONS.—Continued.

Beck, J. C., Facial Hypoglossal Anastomosis ..... 83  
 Beck, J. C., Histological Examination of a Window Resected Septum ..... 953  
 Beck, J. C., Papilloma of the Larynx in a Child ..... 232  
 Beck, J. C., Radiography and Transillumination in Diagnosis of Sinus Disease ..... 830  
 Bilateral Abductor Paralysis of the Larynx, Case of—Knight ..... 687  
 Black, M., Alveolar Route of Operation Upon the Maxillary Sinus ..... 705  
 Black, W. D., Cerebellar Abscess Following Acute Suppuration of Middle Ear; Operation, Death, Autopsy ..... 553  
 Blood-clot Operation, The Mastoid, Theoretically Good; What Results Will Show—Langworthy ..... 278  
 Blunt and Cutting Laryngeal Dilator and a Self-Acting Epiglottis Lifter—Gleitsmann ..... 379  
 Braislin, W. C., Rare Nasal Tumor; Fibroma of the Posterior End of the Middle Turbinate; Report of Case ..... 809  
 Braislin, W. C., Sarcoma of the Nose, Tumor Springing from the Lower Turbinate; Subsequent Enlargement of Subcutaneous Glands of the Entire Body ..... 625  
 Bronchoscopy and Esophagoscopy, Instrumental Aids to—Jackson ..... 492  
 Bronchoscopy, Upper Tracheoscopy and—Jackson ..... 785  
 Brown, R. H., Guarded Burr for Septal Resection ..... 298  
 Bryant, W. S., Rapid Convalescence after Mastoid Operations. 273

C

Campbell, J. T., Case of Tuberculous Ulceration of the Tongue. 233  
 Canfield, R. B., Concerning the Radical Treatment of Chronic Diseases of the Antrum, with Suggestions for a New Method in Operating by the Submucous Resection of the Lateral Nasal Wall ..... 606  
 Carcinoma of the Larynx Removed from the Natural Passages, Non-Recurrent—Ingals. 370  
 Case of Fibrous Atresia of Nares—Abraham ..... 151  
 Case of Traumatic Laryngitis with Eversion of the Laryngeal Ventricle—Abraham ..... 86  
 Cauterization of the Four Susceptible Areas of the—Killian ..... 341  
 Cerebellar Abscess Following Acute Suppuration of the Middle Ear; Operation; Autopsy—Black ..... 553  
 Certain Phase in the Differential Diagnosis of Tuberculosis and Syphilis of the Upper Respiratory Tract—Hurd ..... 531  
 Chenery, W. E., Prof. Gustav Killian and His Work; Experiences of a Recent Visit to Freiburg, Germany ..... 286  
 Children for Defects of Hearing, Systematic Examination of School—Scheppegrull ..... 262  
 Choice of Anesthetics in Nose and Throat Surgery—Goodman ..... 215  
 Cholesteatoma, Perisinus Abscess, Resection of Jugular Vein, Radical Operation, Recovery—Ostrom ..... 627  
 Chronic Suppuration of the Frontal Sinus—Mosher ..... 347  
 Cleft, Palate and Hare-Lip—Baldwin ..... 506  
 Cleft-Palate, Modern Method in Repair of—Roberts ..... 501  
 Clinical Notes on the Action of a New Iodine Preparation in Nose and Throat Work—Menge ..... 491  
 Coley's Toxines, Sarcoma of Tonsils Treated With—Emerson. 212  
 Complete Removal of Diseased Tonsils—Morawreck and Hall. 152  
 Complete Removal of Faucial Tonsils—Griffin ..... 616  
 Concerning the Radical Treatment of Chronic Diseases of the Antrum, with Suggestions for a New Method in Operating by Submucous Resection of the Lateral Nasal Wall,—Canfield. 606  
 Considerations Relative to Nasal Obstruction—Prince ..... 724  
 Cooper, C. E., Laryngeal Urticaria, Report of a Case. 296  
 Corwin, A. M., New Antral Chisels, with Brief Reference to Technique in Opening the Maxillary Sinus ..... 381  
 Curtis, H. H., Rapid Entrance of the Maxillary Antrum through the Inferior Meatus without General Anesthesia ..... 354

## ORIGINAL COMMUNICATIONS.—Continued.

Curtis, H., Vocal Nodules..... 147  
 Cyst of the Larynx, An Unusual—  
     Greene ..... 800  
 Cystic Polyp—Abraham ..... 294  
 Cysts, Tooth—Gallaher ..... 594

**D**

Danziger, E., Tonsils and Their Relation to the Development of Tuberculosis ..... 914  
 Defects of Hearing, Systematic Examination of School Children for—Scheppergrell ..... 262  
 Dench, E. B., Two Cases of Extensive Chlosterin Infiltration of the Mastoid Cells..... 208  
 Differential Diagnosis of Tuberculosis and Syphilis of the Upper Respiratory Tract, a Certain Phase in the—Hurd..... 531  
 Dupuy, H., Favorable Effect of Trypsin in a Case of Laryngeal Epithelioma; Exhibition of Case 373

**E**

Ear, Hysteria of the—Holmes... 581  
 Eaton, F. B., Numerous Operative Methods for Naso-Pharyngeal Adenoids ..... 261  
 Emerson, F. P., Sarcoma of Tonsil Treated with Coley's Toxines.. 212  
 Epiglottis Lifter, a Blunt and a Cutting Laryngeal Dilator and a Self-Acting—Gleitsmann ..... 379  
 Epithelioma; Favorable Effect of Trypsin in a Case of Laryngeal; Exhibition of Case—Dupuy.... 373  
 Epithelioma of the Larynx; Removal by Thyrotomy and No Recurrence after Three and One-Half Years, Report of a Case of—Swain ..... 693  
 Epithelioma of the Larynx: Total Laryngectomy, including the Removal of Part of the Trachea. Death from Pneumonia on the Thirteenth Day—Theisen ..... 476  
 Esophagoscopy, Instrumental Aids to Bronchoscopy and—Jackson. 492  
 Esophagus, a Case of Spasm of the—Farlow ..... 639  
 Esophagus, Report of a Case of Acute Mastoiditis Complicated by an Extensive Destruction of the, with Rupture of the Esophagus, Leading to a Profuse Hemorrhage Into the Left Pneumal Cavity, the Stomach and Mediastinum—McReynolds ..... 633  
 Esophagus, the Mouth of the—Killian ..... 421

Ethmoid and Sphenoid Sinuses, Suppuration in the, with Paralysis of the Third Nerve. Case Reports—Thompson ..... 708  
 Ethmoid Labyrinth, Closed Sinusitis of the, with Exophthalmos, Case of—Kahn, Mortimer. 703  
 Ethmoidal Empyema Acute, Blindness Due to Post-, Report of a Case—Sluder ..... 883  
 Etiology of Inflammatory Diseases of the Nose and Accessory Sinuses, a Study of the—Ballenger ..... 181  
 Every-Day Causes of Voice Deterioration—Fridenberg ..... 684  
 Eustachian Tubes in Infants and Young Children. Anatomical Differences as Compared with the Adult Type; Bearing upon Tympanic Disease—Kerrison.. 661  
 Exophthalmos, a Case of Closed Sinusitis of the Ethmoid Labyrinth, with—Kahn, Mortimer... 703  
 External or Internal Operation for Suppuration of the Accessory Nasal Sinuses—Halle..... 115  
 Extra-Dural Abscess, Case of Septic Thrombosis of the Lateral Sinus, Complicated by Pregnancy. Operation with Recovery—Tobey ..... 678

**F**

Farlow, J. W., Case of Spasm of the Esophagus ..... 639  
 Favorable Effect of Trypsin in a Case of Laryngeal Epithelioma; Exhibition of Cases—Dupuy.... 373  
 Fibroma of the Posterior End of the Middle Turbinate, Report of Case. A Rare Nasal Tumor.—Braislins ..... 809  
 Foreign Body in the Larynx for Two Years, Case of—Rosenheim ..... 471  
 Formidine in Affections of the Ear, Nose and Throat—Stein.. 487  
 Freer, O. T., Lympho-Sarcoma of the Pharynx Limiting the Motions of the Jaws and Axis by Invading the Prevertebral and Pterygo-Mandibular Spaces .... 65  
 Freer, O. T., Reinforced Freer-Gruenwald Forceps and New Patterns of Elevators and Retractors for the Submucous Resection of Deflections of the Nasal Septum ..... 303

## ORIGINAL COMMUNICATIONS.—Continued.

Rhino-Scleroma—Stubbs . . . . .	399	Window Resected Septum—Beck. 976
Discussion—Kenyon . . . . .	401	
Safety-Pin in the Larynx, Discovery of an Open, Aphonias of Unknown Origin and of Six Months' Duration in a Two and One-Half Year Old Child—Campbell . . . . .	174	
Septum, Idiopathic Abscess of the Nasal—Holinger . . . . .	401	
Sinus Thrombosis and Necrosis of the Horizontal, Semicircular and Facial Canals, Following Chronic Purulent Otitis Media, Cholesteatoma, Peri-Sinus Abscess, Resection of the Jugular Vein, Radical, Operation, Recovery—Ostrom . . . . .		
Discussion—Kahn, Beck, Shambaugh . . . . .	177	
Sphenoid Sinus, Some Points in the Surgery of the—Andrews. Discussion—Brawley . . . . .	970	
Tonsils and Enlargement of the Glands of the Neck, the Relation Between Diseases of the Faucial—Campbell.		
Discussion—Capps, Eisendrath, Churchill, Kenyon, Ballenger. 407		
Tonsil and Rheumatism, Relation Between Diseases of the Faucial—Ingraham.		
Discussion—Capps, Eisendrath, Churchill, Kenyon, Ballenger. 407		
Tonsils, Discussion of the Occurrence of Tubercular Disease of the—Robertson.		
Discussion—Capps, Eisendrath, Churchill, Kenyon, Ballenger. 407		
Trypsin Treatment of a Case of Malignant Diseases Involving the Left Tonsil, Base of Tongue and Epiglottis—Campbell . . . . .	175	
Discussion—Freer, Beck, Shambaugh . . . . .	175	
Tubercular Disease of the Tonsils, Discussion of the Occurrence of—Robertson.		
Discussion—Capps, Eisendrath, Churchill, Kenyon, Ballenger. 407		
Tubercular Ulcer in Connection with a Dehiscence of Nasal Bones and Frontal Bone—Holinger . . . . .	327	
What Constitutes an Adequate Preparation for Practice in a Special Field—Shambaugh . . . . .	817	
Discussion — Pierce, Wilson, Robertson, Beck, Holinger . . . . .	818	
New York Academy . . . . .		
..92, 159, 248, 310, 387, 562, 888, 955		
A New Method of Operating Upon Turbinal Hypertrophies, with Demonstration of Instruments, and of the Technique Upon a Mankin—Yankauer.		
Discussion—Mayer, Myles, Coffin . . . . .	252	
Antrum of Highmore and the Technique to be Employed, the Indications for and the Advantages of the Intra-Nasal Over the Radical Operation in the Treatment of Chronic Empyema of the—Curtis, Myles, Abraham.		
Discussion — Lloyd, Bodine, Douglass, Delavan . . . . .	388	
Bunt and a Cutting Laryngeal Dilator—Gleitsmann . . . . .		
Discussion—Delavan . . . . .	397	
Bronchus, Foreign Body Removed from—Mayer . . . . .	563	
Discussion—Moseley . . . . .	563	
Bronchoscopy, Esophagoscopy and Gastroscopy, with a Report of Cases—Jackson . . . . .	254	
Discussion—Wyeth, Boyce, Elsberg, Einhorn, Hayes, Huber. 255		
Carcinoma of the Epiglottis—Freudenthal . . . . .	93	
Discussion—Carter, Freudenthal, Harris . . . . .	93	
Carcinoma of the Inferior Turbinata, with Report of a Primary Case—Carter . . . . .	166	
Discussion—Harris . . . . .	170	
Case of Primary Epithelioma of the Maxillary Antrum—Kopetsky.		
Discussion—Mayer Lederman . . . . .	955	
Cleft Palate, a Case of—Abraham . . . . .	958	
Discussion—Carter, Mackenty . . . . .	959	
Complete Removal of Thyroid Gland—Hubbard . . . . .	248	
Discussion—Einhorn . . . . .	248	
Congenital Closure of the Choanæ—Ard . . . . .	312	
Congenital Occlusion of the Choanæ, with Report of Two Cases—MacKenty . . . . .		
Discussion—Mayer, Swain, Ard, Smith . . . . .	315	
Epiglottis, Carcinoma of the—Freudenthal . . . . .	93	

## SOCIETY PROCEEDINGS.—Continued.

Epiglottis, Epithelioma of the— Thurber .....	562
Epithelioma of the Epiglottis— Thurber .....	562
Epithelioma of the Maxillary Antrum, A Case of Primary—Kopetsky.	
Discussion—Mayer, Carter, Lederman, Harris .....	955
Esophagus, Case of Foreign Body Removed from—Mayer .....	95
Discussion—Carter, Myles, Harris, Freudenthal, Wilson, Mayer .....	95
Ethmoid Bone, Traumatic Fistula Through the Cribiform Plate of the—Smith .....	249
Discussion—Freudenthal, Thurber .....	250
Exfoliated Wall of Frontal Sinus—Quinlan .....	563
Fibroid Tumor of the Laryngo-Pharynx Removed by Sub-hyoid Pharyngotomy—Chappell .....	310
Discussion—MacKenty, Smith .....	312
Foreign Body Removed from Bronchus—Mayer .....	563
Discussion—Moseley .....	563
Foreign Body Removed from the Bronchus—Yankauer .....	967
Foreign Body Removed from Oesophagus, Case of—Mayer .....	95
Discussion—Carter, Myles, Harris, Freudenthal, Wilson, Mayer .....	95
Frontal Sinus, Exfoliated Wall of—Quinlan .....	563
Gumma of the Larynx with Necrosis of Right Arytenoid—Harmon-Smith.	
Discussion — Harris, Thurber, Meierof .....	963
Handle of a Laryngeal Forceps—Harris .....	968
Indications for and the Advantages of the Intra-Nasal Over the Radical Mastoid Operation in the Treatment of Chronic Empyema of the Antrum of Highmore and the Technique to be Employed—Curtis, Myles, Abraham.	
Discussion—Lloyd, Bodine, Douglass, Delavan .....	388
Intubation Tube Which Had Been Worn by a Patient Continuously for Two Years—Simpson .....	564
Laryngeal Medicator for the Patient's Use—Yankauer .....	575
Laryngeal Infection, Mixed—Munger .....	
Discussion — Myles, Chappel, Harris, Wilson, Mayer .....	98
Larynx, Urticaria of the—Freudenthal .....	92
Leptothrix Mycosis—Quinlan .....	
Discussion — Hurd, Leshure, Chappell, Harris, MacKenty, McCullach, Abraham .....	163
Leukoplakia Buccalis—Abraham .....	162
Discussion—Berens .....	162
Meningitis as an Intra-Cranial Complication in Diseases of the Accessory Sinuses—Coffin.	
Discussion—Killian, Gruening, Myles, Dench Coakley .....	888
Meningitis as an Intra-Cranial Complication in Diseases of the Middle Ear—Knapp .....	888
Discussion—Killian, Gruening, Zabriskie, Myles, Dench, Coakley, Coffin .....	889
Middle Ear, Meningitis as an Intra-Cranial Complication in Diseases of the—Knapp .....	888
Mixed Laryngeal Infection—Munger.	
Discussion — Myles, Chappell, Harris, Wilson, Mayer .....	98
Myxo-Fibroma of the Nasal Cavity with Nasal Polypi—Mills .....	97
Parts—Bogue.	
Nasal Polypi Attached to Ethmoid Cell—Wilson .....	968
Nasal Polypi, Myxo-Fibroma of the Nasal Cavity with—Mills .....	97
Discussion—Smith .....	97
Nasal Snare—Haskins .....	968
Nasal Syphilis—Freudenthal .....	315
Observations Upon the Cause of Voice Failure—Delavan.	
Discussion—Rice, Miller, Curtis, Myles, Scripture, Mayer, Simpson, Quinlan, Kenefick .....	564
Observations Upon the Causes of Voice Failure in Public Singers—Henderson.	
Discussion—Rice, Miller, Curtis, Myles, Scripture, Mayer, Simpson, Quinlan, Kenefick, Delavan .....	564
Papilloma of the Larynx—Carter .....	315
Perforation of the Septum Closed by a Plastic Operation—Yankauer .....	562

## SOCIETY PROCEEDINGS.—Continued.

Polyp Attached to Vocal Cord, Penduculated Mucous—Leshure .....	159	Scleroma of the Pharynx—Mayer .....	957
Discussion—Quinlan, Hurd, Harris, Berens .....	159	Discussion—Voislawsky, Harris, Freudenthal, Mayer .....	957
Primary Lupus of the Larynx—Mayer .....	313	Septum Closed by a Plastic Operation, Perforation of the—Yankauer .....	562
Discussion—Simpson, Freudenthal .....	314	Sinus Disease, Two Cases of—Abraham .....	387
Primary Tumor of the Trachea; Extirpation—Mayer for Elsberg .....	251	Sub-Glottic Neoplasm—Simpson—Harris .....	249
Discussion—Simpson, Quinlan..	252	Discussion—Harris .....	249
Protruding Incisors Remedied by Treatment—Bogue .....	312	Syphillis of the Larynx—Leshure .....	160
Radium, a Case of Sarcoma of the Tonsil and Base of the Tongue Treated with; Cure—Freudenthal .....	960	Discussion—Thurber, Leshure, Harris, Mayer, Hurd, Berens, Quinlan .....	160
Discussion—Phillips, Mayer, Kopatsky, Harris, Oppenheimer .....	961	Thyroidectomy for Graves' Disease—MacKenty .....	966
Rapid Entrance of the Maxillary Antrum Through the Inferior Meatus Without General Anesthesia—Curtis .....	388	Discussion—Lederman, Harris .....	966
Relation of the Dental Arches to Pathologic Affections of the Naso-Pharynx and Adjacent Discussion—Smith .....	97	Tonsillotome, a New—Ruppert .....	
Discussion — Swain, Newton, Simpson, Wright .....	317	Discussion — Carter, Berens, McCullagh .....	171
Sarcoma of the Tonsil and Base of the Tongue Treated with of Radium; Cure—Freudenthal.....	960	Tubercular Laryngitis and Three Cases of Benign Laryngeal Neoplasms—Harris .....	963
Discussion—Phillips, Mayer, Kopatsky, Harris, Oppenheimer .....	961	Discussion — Mayer, Harris, Chambers .....	965
		Tubercular Ulceration of the Tongue—Freudenthal .....	968
		Tumor of the Epiglottis—Thurber .....	313
		Discussion—Simpson .....	313
		Urticaria of the Larynx—Freudenthal .....	92
		Volce Failure in Public Singers, Some Observations Upon the Causes of—Henderson .....	564

## ABSTRACTS.

Abuse of Devices for "Curing Deafness" .....	580	Case of Primary Tuberculosis of the Pharyngeal Tonsil, Associated with Tuberculous Cervical Glands .....	638
Additional Turbinated Bone Below the Lower Turbinated .....	260	Clinical Reports .....	557
Adenoids .....	378	Clinical Studies in Disturbances of Hearing. Part 3. The Hearing-Curve in Cases of Inspissated Cerumen .....	340
Anatomy of the Lymphatic Vessels of the Middle and External Ear. 211		Congenital Atresia Naris; Report of a Case .....	717
An Attic Douche .....	954	Congenital Deaf Mutism .....	702
Angiomatous Growth in a Case of Ozena Originating During Pregnancy .....	882	Curative Influence of Secondary External Otitis .....	561
Anosmia, Parosmia and Parageusia .....	707	Difficulties and Dangers of the Mastoid Operation, the Vicissitudes of Convalescence and the Ultimate Result to Patient .....	290
Case of Esophageal Stricture Cur ed by the Use of Thiosinamine..	436		
Case of Nasal Hydrorrhoea Cured by Electrolysis .....	766		

## ABSTRACTS.—Continued.

Esophagoscopy for Foreign Body	490	Surgical Reduction of the Excessively Large Ear	929
Examination of Hearing in School	677	Treatment of Diseases of the Accessory Sinuses	339
Gates of Infection in Epidemic Cerebrospinal Meningitis	297	Treatment of Laryngeal Tuberculosis by Sunlight	293
Influence of Nasal Obstruction on the Form of the Face	272	Treatment of Meniere's Disease by Means of Galvanism	919
Intermittent Nasal Obstruction	737	Trehpinning of the Labyrinth and Curettage of the Vestibule for Tinnitus	659
Involvement of the Internal Ear after Concussion of the Brain	683	Twenty Cases of Chronic Suppurative Otitis Media Treated by Photo-Therapy	626
Local Anesthesia in the Ear	524	Two Cases of Fracture of the Larynx	326
Management of Deaf-Mutes	794	Unusual Case of Scleroma of the Larynx	884
Massage of the Stapes	766	Use of Suction in Middle Ear Disease	480
Mouth Cleanliness	530	When Shall We Advise Tympano-Mastoid Exenteration, in the Treatment of Suppurative Otitis Media, and in What Percentage of Cases May We Expect a Cure	981
New View on the Question of Adenoid Vegetation	799		
Periodic Autumnal Catarrh; Vaso-Motor Coryza; the So-Called Hay-Asthma	982		
Rupture of the Drum Membrane from Contrecoup	293		
Should Cases of Acute Diffuse Purulent Otogenic Leptomeningitis be Operated Upon?	575		
Suppuration in the Floor of the Tympanic Cavity	307		

## AUTHORS OF ABSTRACTS.

Ballance, C. A.	290	Most, A.	211
Baurowicz, A.	293	Neumann, H.	524
Bear, A.	293	Ostmann, P.	340
Cohn, Geo.	717	Parsons, W. B.	272
Dionisio, J.	626	Reik, H. O.	981
Falta, Marczel	794	Rhese	683
Goldstein, M. A.	339	Smale, M. A.	530
Habermann, Joh.	702	Sokolowsky, R.	575
Halasz, Heinrich	436	Sonderman	470
Ivens	638	Streit	882
Kretschmann	307	Sugar, M.	919
L'Estrange	737	Szenes, Sigismund	557
Lange, M. V.	799	Thanisch, J.	954
Malherbe et Stackler	677	Treitel	766
Mapec, C. C.	982	Urbantschitsch, Ernst	260
Matte	659	Valentine	766
Meyer, O.	884	Vinsonhaler, A.	878
Michel	326	Von Schroetter, Herman	490
Mller, C. C.	929	Zeim, C.	707
